

Astro-Forecast for

Prince William

21 June 1982

21:03

London, England

31 May 2004 - 30 June 2004

Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 1993 (June 15, 1993 to July 15, 1993)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached.

An influence may last for as little as a week to as long as half a year or so. It is a good idea to look ahead in your Astro-Forecast Report for long-lasting influences, as you otherwise may not realize that it is in effect until you are already several months into the time period of the influence. Some people underline the dates of long-lasting influences with a colored pen to draw attention to them.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the funny abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast. For the benefit of astrologers, some

technical details are given below.

3 May 2004 (1 May 2004 to 14 July 2004) Mars 7th H.

At this time you are less willing to compromise or to overlook differences for the sake of harmony in your relationships, less willing to sacrifice your own needs and desires. Any tensions which have been simmering in your marriage or other close associations are likely to boil over now. If you are of an argumentative nature, quarrels and confrontations will be more frequent.

Positively, you are more inclined to initiate contact with someone that you wish to make a connection with, and you may begin a relationship at this time that will be very worthwhile, one in which you are the pursuer or active partner.

11 May 2004 (8 Apr 2004 to 31 May 2004) Jup Sqr Merc

During this time period you are planning big things for the future. You become excited about an idea that promises much greener pastures for you. Your enthusiasm and optimism are so strong that it is difficult for you to realistically evaluate the situation. If others question or doubt your plan, you quickly brush their concerns aside, as you pursue a grander vision. Hopefully, you have done your homework or else your grand dream can go up in smoke.

This is an excellent time to spread your wings, to travel and visit new places. You may read something that causes you to view life in a very different light. Your mind soars to a broader, more encompassing view and perspective. You should not hold back the reins of your thoughts; the only warning is to be careful when making practical decisions based on these ideas. You can easily overlook the importance of practical details needed to successfully carry out a plan.

14 May 2004 (13 May 2004 to 1 June 2004) Sun 5th H.

You are energized and inspired creatively and emotionally at this time, and you want to bring forth all that is within you. You express yourself more freely, playfully,

and spontaneously and are more willing to take chances. The dramatic and performing arts, sports and games, or other forms of self-expression and entertainment appeal strongly to you now.

18 May 2004 (20 Mar 2004 to 17 July 2004) nep trine sat

This astrological influence is subtle in that it might not bring significant changes to your outer life and situation, but it is very significant in the ways that it fosters changes and developments in your fundamental beliefs and attitudes towards life. Whether you consider yourself to be religiously and spiritually oriented or not, your religious and spiritual perspectives deepen and mature now. These perspectives may not be tied to any particular religious belief system or philosophy. You become more sensitized to the broader issues in your life, and you discover appropriate ways to handle them. Issues such as death, birth, different religious and cultural attitudes, ethical issues such as honesty in business relationships, etc., come to your attention now. You may gain a new appreciation of the religious philosophy that you were exposed to in your childhood or your current religious path. You may now be able to drop what is not worthwhile in the religion, or find new meaning and relevance in religious doctrines or customs. These changes are gradual and subtle throughout this time period. However, like a plant or child that grows imperceptibly each day, the cumulative effect throughout this time period can be quite significant. Your sensitivity and awareness to religious, spiritual, and ethical issues can mature greatly during this time period. Do not avoid the growing interest in these issues that you feel at this time; take advantage of this opportunity to deepen and elevate your sensitivities. You are likely to loosen up some of the rigid beliefs and habits that have confined you for some time, and rediscover much of the magic and beauty in life that you may not have not experienced since you were a child. Perhaps the greatest benefit that can be derived from this astrological influence is this less restricted, more liberated, more imaginative and creative attitude and feeling about life that can develop.

18 May 2004 (17 May 2004 to 2 June 2004) Merc 4th H.

You are likely to be in a rather nostalgic frame of mind, remembering earlier days, and thinking and speaking about past events. This is a good time for communicating with family members, perhaps reestablishing your connection or resolving a longstanding problem between you. Speaking about very personal, private matters comes easier to you now. You may also find it worthwhile to record some of your musings, memories, and thoughts in a journal or diary.

30 May 2004 1:00(29 May 2004 to 31 May 2004) Sun Conj Merc

Communications, conversations, sending and receiving messages, and taking care of routine tasks that require mental clarity are important activities now. It is a good time to present your ideas and point of view to others, as you express your thoughts clearly, though you are not apt to listen as well. Buying, selling, or negotiating is likely to go well now.

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

1 June 2004 (31 May 2004 to 18 June 2004) Sun 6th H.

Doing your best work and taking pride in it are a focus for you now. This is a good time to examine how you use your time and energy, with an eye for improving your efficiency and productivity.

Health matters are also a concern of yours now, and you may be inspired to begin a self-improvement program, create better health habits, or begin a new diet or fitness regimen.

2 June 2004 (1 June 2004 to 11 June 2004) Merc 5th H.

Entertainment and amusements that are mentally challenging, such as chess, crossword puzzles, or other word games, have a strong appeal to you now. You will also enjoy dramatic presentations, the theatre, creative writing, and, if you have natural leanings in any of these areas, you will be inspired with ideas for future creative projects.

You have the self-control and discipline to apply yourself to tasks that you may have been avoiding. You want to put your affairs in order and have a greater tolerance for tedium than usual. This is a good time to tackle mundane chores and practical business.

This time is filled with stimulating discussions about controversial topics, unusual or offbeat ideas, or "crazy" schemes. The tempo of your life increases and may leave you feeling frazzled. Because you are quite restless, you may do or say things in haste that you will regret later.

10 June 2004 2:00(9 June 2004 to 11 June 2004) Merc Conj Merc

10 June 2004 4:00(9 June 2004 to 11 June 2004) Merc Trine Mars

11 June 2004 (10 June 2004 to 18 June 2004) Merc 6th H.

Thinking, reading, and learning about how to improve your work, or some aspect of it, is on the agenda now. You may learn a new technique. Discussions with co-workers, employers, and employees are likely to be fruitful, and minor but beneficial changes are likely to result.

Talking about any health concerns you may have, (with someone knowledgeable) is also helpful at this time.

12 June 2004 5:00(10 June 2004 to 13 June 2004) Ven Trine Sat

This is an excellent time to make decisions about your financial affairs, as your judgment is sound and reliable, though a bit conservative. Investing in beautiful things which are likely to increase in value over time (such as jewelry or fine art) is favored.

You are not interested in fleeting excitement or frivolity now. Spending "quality time" with an old and trusted friend, or enjoying the company of an experienced, mature person who has much of substance to give you will make you happy.

13 June 2004 4:00(12 June 2004 to 14 June 2004)Merc Trine Sat

The emphasis is now on long-range financial planning, thinking about future security, and formulating strategies to achieve your ambitions. Your ability to study quietly, to concentrate on complex mental work, and to think deeply about serious matters is much better than usual. This is a good time to organize your affairs and also to seek professional advice about your concerns.

14 June 2004 14:00(13 June 2004 to 16 June 2004) Mars Sqr Plu

Your drive for personal power, achievement, or control over your life is very strong at this time. The tyrant in you emerges, and you can be excessively willful, domineering, or compulsive about doing what you want to. You battle anyone or anything that is an obstacle to your individual freedom of action, and ego conflicts or a furious power struggle may ensue. Also, you can be unmerciful with yourself and your own weaknesses. You are likely to push yourself much too hard.

14 June 2004 22:00(13 June 2004 to 15 June 2004)Sun Trine Plu

This is an excellent time to eliminate whatever is unnecessary and outworn in your life, from clutter and disorder in your environment, to an unhealthy relationship or even a long-held attitude or belief which keeps you from going after what you really want in life.

You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation.

Something lost, hidden, or forgotten may come to light.

16 June 2004 9:00(15 June 2004 to 17 June 2004)Sun Oppos Nep

Your defenses are weaker than usual now and you are inclined to passively withdraw or give in to other people rather than act decisively and strongly in your own behalf. Confusion, vagueness, or misrepresentation can occur in your relationships, so beware of making commitments at this time; you're likely to see things much more clearly and realistically later on.

17 June 2004 0:00(15 June 2004 to 18 June 2004)Mars Sxtil Ven

Friendships and love relationships are favored as you are openly affectionate, warm, and also quite responsive to loving gestures from others. It's not enough for

you to simply feel loving toward another - at this time you really want to express it and show it physically. An opportunity for a new romance or friendship is likely to surface now and work out quite nicely for you.

17 June 2004 4:00(16 June 2004 to 18 June 2004)Merc Trine Plu

There is great depth to your conversations. You find yourself revealing secrets or very private matters, and also asking very penetrating questions of others. Superficial answers don't satisfy you now. This is an excellent time to investigate a complex problem or mystery, look for something that has been lost or hidden, and also to learn more about your own inner depths.

17 June 2004 19:00(17 June 2004 to 18 June 2004)Merc Oppos Nep

This is one of the least favorable times to make a decision or sign a contract, as your communication with others is likely to be fraught with misunderstanding or even outright deception. Your thinking is rather fuzzy now and you are more gullible or swayed by feelings, images, and ideals rather than seeing situations and people as they are. Your imagination is very active at this time.

18 June 2004 10:00(17 June 2004 to 19 June 2004)Sun Oppos Asc

A significant personal encounter or confrontation occurs today. You cannot, and probably will not want to, be alone now. This is a time to reach out to people and to get others' input or counsel. Listen to your mate or a friend who can enlighten you at this time. Also, consulting a professional for health, business, or personal reasons will be very constructive and fruitful now.

18 June 2004 (17 June 2004 to 4 Aug 2004) Sun 7th H.

Partnerships, marriage, and your close, one-to-one relationships engage much of your attention now and you are called upon to cooperate and perhaps to relinquish some of your own personal interests for the sake of harmony and mutual benefit. The emphasis is on "we" rather than "me". You will not wish to go it alone, and will seek the companionship and counsel of others.

If you are having difficulties in some area of your life, now is the time to seek the advice of a counselor or consultant, someone with an objective point of view.

18 June 2004 17:00(18 June 2004 to 19 June 2004)Merc Oppos Asc

Conversations with your partners and friends are critical now. This is a time for you to really listen and learn from others. If there is some matter you are concerned with, now is an excellent time to consult a professional or even a good friend that can give helpful feedback. You need other people's ideas and opinions now.

18 June 2004 (18 June 2004 to 12 July 2004) Merc 7th H.

At this time you need and seek out others' opinions, advice, and counsel, realizing that an objective or opposing point of view helps you clarify your own thoughts. You may find others playing devil's advocate in your discussions.

Talking with your mate, business partner, or other close associates is likely to be helpful now, and you may be able to negotiate some agreement or come to some resolution to a problem you've been having. You're likely to be more fair and detached at this time.

19 June 2004 21:00(19 June 2004 to 20 June 2004)Merc Conj Sun

You make yourself perfectly clear at this time, coming across in a very direct, articulate manner. Your honesty and willingness to communicate openly impresses others. This is a good time to give a speech, present your ideas publicly, or simply express your viewpoint to the people who matter the most in your life. If you are in a profession dealing with words, ideas, or communications, this is a very positive and fruitful time for you.

20 June 2004 1:00(19 June 2004 to 21 June 2004)Merc Trine Jup

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

20 June 2004 (20 June 2004 to 9 July 2004) Ven 5th H.

You are feeling inspired creatively and romantically and you express your loving feelings quite openly now. Creative self-expression of any kind is favored at this time. You will also thoroughly enjoy artistic, musical, or cultural events and activities, especially in the company of a loved one.

20 June 2004 23:00(20 June 2004 to 21 June 2004)Merc Trine MC

At this time you put extra energy into thinking about and organizing your work and professional life. Decisions you make at this time are likely to work out well, as you are clear and objective. Gathering information regarding your career or long-range goals is also favored.

21 June 2004 4:00(20 June 2004 to 22 June 2004) Sun Conj Sun

Today you want to stand out, to be the center of attention and receive recognition. It is a time to appreciate who you are as a unique individual. This is the beginning of a new year for you, and you feel charged with new energy, vitality, and sense of purpose.

21 June 2004 13:00(20 June 2004 to 22 June 2004)Sun Trine Jup

This is a good time for relaxing recreation, a time to refresh and rejuvenate yourself and do the things you most enjoy doing. Good humor and optimism prevail now, and you are able to get a larger perspective on your life. This is also a good time to approach someone who is in a position to benefit you spiritually, intellectually, or materially.

22 June 2004 2:00(21 June 2004 to 23 June 2004)Merc Conj Moon

Conversations have a particularly emotional, intimate, or nostalgic tone. Sharing memories and reminiscences, or discussing a very personal topic with someone you feel you can trust is likely now. You may have a significant communication (letter, phone call, or personal discussion) with someone who was once very important to you or with whom you have a long history. This is a good time to reflect, review, and get a perspective on emotional matters or things of the past.

23 June 2004 15:00(22 June 2004 to 24 June 2004) Sun Trine MC

Your career, reputation, public standing, or important personal goals gain momentum now. Your superiors or those in a position to support or further your aims are positively disposed toward you at this time. An important victory or success can be achieved.

24 June 2004 2:00(23 June 2004 to 25 June 2004)Merc Sqr Mars

Errors made in haste, speaking too forcefully, sharp words spoken on impulse, or accidents occurring due to restlessness and impatience are all possible at this time.

You feel that you have to fight for what you want or believe in, and you are very clear, decisive, and convincing right now, but you also tend to stir up more controversy or competitive feelings than is really necessary.

24 June 2004 15:00(23 June 2004 to 26 June 2004) Mars Sqr Jup

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to

act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

26 June 2004 6:00(24 June 2004 to 27 June 2004) Mars Trine Ura

Increased physical courage and a strong sense of adventure combine to make this a very interesting time. You need to do something innovative, daring, unusual, liberating, exciting, and challenging. You are inclined to act on some of the wilder impulses and desires you feel from time to time. You crave stimulation. If you have an inventive streak, you could make a startling discovery or breakthrough now.

26 June 2004 6:00(25 June 2004 to 27 June 2004) Sun Conj Moon

Key issues now are your home, personal life, and closest emotional relationships. You feel more quiet and reflective, and you feel a need to be closer to home and to loved ones. You can draw a lot of strength and satisfaction from your family and roots now, but if all is not well in this area, you will clearly see any difficulties or inadequacies at this time. You are more emotional and subjective than usual.

27 June 2004 2:00(26 June 2004 to 28 June 2004) Merc Sqr Sat

Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

27 June 2004 19:00(26 June 2004 to 29 June 2004) Mars Sqr MC

At this time your efforts to get ahead and advance your own interests are likely to be met with resistance or animosity. You seem overeager, pushy, inconsiderate, or too narrowly focused on your own objectives, so that you alienate the people who could help you. Try to do as much as you can on your own, without trying to force others to agree with you or join you.

28 June 2004 (20 June 2004 to 6 July 2004) Sat Sqr Sat

You are very critical and demanding of yourself at this time. You question your real worth and integrity, the major decisions you have made, and your ability to successfully follow through on ideas and plans. You meet obstacles and restrictions which further confirm your suspicions that your life is not on-track! A serious loss of confidence can occur.

One of the worst tendencies from this astrological influence is to feel frustrated, cut off from the good things in life and upset with oneself, but do nothing at all about it except complain and feel anxious. You must be willing to see weaknesses, hypocrisies, egotism, and insincerity in yourself and now make a sincere attempt to rid yourself of these ills. You must break the old habits and be able to take a fresh approach to these ingrained tendencies. You must have the courage to make a change, and the changes needed have more to do with HOW you do things than WHAT you do. This is a time to find greater sincerity and meaningfulness in your life and work, and to rid yourself of extravagances, pomp, and vanity.

29 June 2004 12:00(25 June 2004 to 4 July 2004) ven conj merc

You use charm, humor, and a light touch to get your point across now, and your friendly attitude makes a favorable impression on others. Your artistic and aesthetic sense is heightened now also, and interest in literature, poetry, and culture is strong. Serious and demanding mental work should probably be put off for another time, as either your mind is more on matters of the heart or you simply want to relax and think of lighter topics.

29 June 2004 12:00(24 June 2004 to 5 July 2004)ven trine mars

You feel quite amorous and affectionate now, and will very much want to share this time with someone you love or at least with congenial company. Your creative or artistic inclinations are also stimulated, and your work in these areas will be especially satisfying and successful at this time.

30 June 2004 17:00(29 June 2004 to 1 July 2004) Sun Sqr Mars

You know just what you want right now and woe to anyone or anything that gets in your way! You are much more likely to become domineering, pushy, or inconsiderate of others now, so it is a good time for you to do what you need to do by yourself rather than with others. Accidents, mistakes made in haste, or ego conflicts may occur due to your impatience and willfulness. Positively, physical energy is high and you could accomplish a great deal.
